

NORTH PACIFIC UNION CONFERENCE OF SEVENTH-DAY ADVENTISTS AND NORTH PACIFIC UNION CONFERENCE ASSOCIATION OF SEVENTH-DAY ADVENTISTS

COMBINED FINANCIAL STATEMENTS DECEMBER 31, 2019 and 2018

TABLE OF CONTENTS

Financial Opinion	1 - 2
Combined Statements of Financial Position	3
Combined Statements of Changes in Net Assets	4-5
Combined Statements of Cash Flows	6
Notes to the Financial Statements	7-23

To the Executive Committee
North Pacific Union Conference of Seventh-day Adventists, and
The Board of Trustees
North Pacific Union Conference Association of Seventh-day Adventists
Ridgefield, Washington

We have audited the accompanying combined financial statements of North Pacific Union Conference of Seventh-day Adventists and North Pacific Union Conference Association of Seventh-day Adventists, which comprise the combined statements of financial position as of December 31, 2019 and 2018, and the related combined statements of changes in net assets and statements of cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these combined financial statements in accordance with United States of America accounting principles generally accepted by the Seventh-day Adventist denomination. This includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of combined financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these combined financial statements based on our audits. We conducted our audits in accordance with United States of America auditing standards generally accepted by the Seventh-day Adventist denomination. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the combined financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the combined financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the combined financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the combined financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the combined financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, as internal auditors of the General Conference of Seventh-day Adventists, the combined financial statements referred to above present fairly, in all material respects, the financial position of North Pacific Union Conference of Seventh-day Adventists and North Pacific Union Conference Association of Seventh-day Adventists as of December 31, 2019 and 2018, and the changes in their net assets and their cash flows for the years then ended in conformity with United States of America accounting principles generally accepted by the Seventh-day Adventist denomination.

Note 1 - Organizational description and summary of significant accounting policies

Organization description

The North Pacific Union Conference of Seventh-day Adventists (Conference) and North Pacific Union Conference Association of Seventh-day Adventists (Association) (collectively, Organizations) are administrative entities within the General Conference of Seventh-day Adventists, North American Division (NAD). As such, the Organizations supervise the operation of all denominational activities within the states of Alaska, Idaho, Montana, Oregon, and Washington. Most of their dealings are with the constituent conferences and the NAD. The Association holds title to all of the Organizations' assets, and performs certain fiduciary duties.

The Organizations' primary purpose is to spread the gospel of Jesus Christ throughout their territory. They accomplish this by supervising the activities of constituent conferences (regional headquarters). The Organizations receive most of their revenue from contributions from the constituent conferences and the NAD.

The Organizations are religious not-for-profit organizations, and are exempt from federal, state, and local income taxes under the provisions of Section 501(c)(3) of the Internal Revenue Code, and corresponding sections of applicable state and local codes: except for taxes on unrelated business income as described in sections 511-514 of the Internal Revenue Code. Washington State sales tax is applied for all purchases, as required by not-for-profit organizations in Washington State.

Summery of significant accounting policies

- (a) Basis of accounting: The significant accounting policies of the Organizations are essentially the same as generally accepted accounting principles for not-for-profit organizations as promulgated by the Financial Accounting Standards Board. The significant policies are described below to enhance the usefulness of the financial statements. The financial statements of the Organizations have been prepared on the accrual basis of accounting. In conformity with the accrual basis of accounting, the Organizations have evaluated events that occurred subsequent to the financial statement date, up to June 17, 2020, which is the date the financial statements were available to be issued.
- (b) Use of estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.
- (c) Restricted resources: The Organizations report gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

The Organizations report gifts of land, buildings, and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used, and gifts of cash or other assets that must be used to acquire long-lived assets, are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Organizations report explirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

- (d) Plant assets and depreciation: Uses of operating funds for plant acquisitions and debt service payments are accounted for as committee approved transfers to plant funds. Such transfers include depreciation funding as well as additional movements of operating Funds. Restricted proceeds from sale of plant assets and restricted income from plant fund investments are recorded as restricted support. Both principal and interest payments made to retire plant fund indebtedness are recorded in the plant fund. Plant assets are recorded at cost when purchased or at fair market value at date of gift. Plant assets that cost less than \$1,000 are not capitalized, but are charged to expense. Depreciation of land improvements, buildings and equipment is provided over the estimated useful lives of the respective assets on a straight-line basis. Depreciation expense is recorded in the net invested in plant fund and reported by various program and supporting services in the Statement of Changes in Net Assets. The following ranges of estimates of useful lives are assigned to capital assets: Buildings: 40 years; Land Improvements: 10 years; Equipment: 3 to 20 years.
- (e) Cash and equivalents: Cash equivalents are highly-liquid assets of the operating funds, which are readily convertible to cash and have a maturity date of three months or less from date of acquisition. Cash and investments of funds other than operating are not classified as cash and cash equivalents. The increase or decrease in nonoperating cash and investments is reported in the statement of cash flows as proceeds or purchases of investments.
- (f) Fair value of financial instruments: Following are the major methods and assumptions used to estimate fair values

Short-term financial instruments are valued at their carrying amounts included in the statement of financial position, which are reasonable estimates of fair value due to the relatively short period to maturity of the instruments. This approach applies to cash, cash equivalents, accounts receivable, and certain other

Notes and loans receivable are valued at the amortized amount receivable as of the reporting date. An allowance has been recorded based on an estimate of amounts which are not expected to be collected. The local conference shall make payments on loans over 60 days past due. Because these loans, by intent and practice, are expected to be held to maturity, the carrying amount approximates the discounted value of future cash flows expected to be received. Because of the difficulty and inherent subjectivity involved in determining fair values, which is not susceptible to independent substantiation, management has concluded that the amortized face value of loans receivable from related or affiliated entities approximates fair value.

Notes and loans payable are valued at the amortized amount payable as of the reporting date. Because these loans, by intent and practice, are expected to be amortized to maturity, the carrying amount approximates the discounted value of the future cash flows expected to be paid. Because of the difficulty and inherent subjectivity involved in determining fair values, which is not susceptible to independent substantiation, management has concluded that the amortized face of loans payable to related or affiliated entities approximates their fair value. Further, because a reasonable estimate of fair value could not be made without incurring excessive costs, management has not attempted to estimate the fair value of any loans payable to creditors that are not related or affiliated entities

Note 1 - Organizational description and summary of significant accounting policies (continued)

Investments are valued at quoted market price or other reasonably obtainable market value estimate at the reporting date for those or similar securities. The difference between aggregate market value and historical cost for each type of security is recorded in a valuation account. The change in this valuation account is recognized as a cain or loss.

Real estate and other assets recorded in the Unconditional Trust Fund are valued at fair market value on the date they are transferred into trust.

- (g) Inventory is stated at the lower of cost or fair market value, under the first-in, first-out method.
- (h) Current assets and liabilities: Assets and liabilities are classified as current or long-term, depending on their characteristics. This excludes from current assets, cash and claims to cash that are restricted to use for other than current operations, or are committee allocated for the acquisition or construction of plant assets or for the liquidation of plant fund debt. This excludes from current liabilities the long-term portion of all debt, and plant fund debt payable within the next fiscal year to the extent covered by designated plant fund liquid assets. Working capital (current assets less current liabilities) for the Organizations usually reflects working capital of only the operating funds since usually no assets or liabilities of the plant fund are classified as current.
- (i) Investment income: Ordinary income from investments, loans, and the like is accounted for in the fund owning the assets.
- (j) Split-interest agreements: The Association acts as a trustee or is partial beneficiary in various kinds of trusts, annuities, and/or other split-interest agreements for which it acts as trustee or administrator. Other organizations are partial beneficiaries of some of these agreements. For those agreements that are irrevocable, assets are recorded by the Association at fair market value at the date of the gift or acceptance of the agreement. For agreements that designate other beneficiaries, liabilities are recorded for the present value of amounts due income beneficiaries and other remainder beneficiaries. Conservative discount rates are used to compute such present value amounts. Standard actuarial tables and conservative interest rates are used to compute liabilities due to annuitants. The Association's remainder interest is classified as temporarily restricted net assets until maturity of each agreement.
- (k) Affiliated entities: The Organizations operate through several organizations with which they are affiliated by reason of membership on the respective governing boards of officers and other staff members of the Organizations. The financial statements of these other organizations are not combined with the Organizations' because they do not meet the criteria for consolidation. Inter-organization transactions carried on in the ordinary course of business are handled through current accounts receivable and payable, and are settled generally on a monthly basis. Other financial transactions involving appropriations, toans, and other long-term financing, are detailed in Notes 5, 8, 17, 22, 25, and 26 below. The specific organizations referred to above are:

The General Conference of Seventh-day Adventists (GC) is the world headquarters of the Seventh-day Adventist denomination and as such determines the operating and accounting policies to be followed by church institutions. The NAD is an administrative entity of the GC which supervises denominational activities in North America.

The Organizations oversee denominational activities in the states of Alaska, Idaho, Montana, Oregon, and Washington. Activities in each region are administered by unincorporated and incorporated Conferences and Associations. The President of each Conference is a member of the Organizations' Executive Committee. The Organizations' officers are invitees of each Conference's Executive Committee.

Alaska Conference and Corporation of Seventh-day Adventists Idaho Conference of Seventh-day Adventists, Inc.

Montana Conference of Seventh-day Adventists, Inc.

Oregon Conference and Western Oregon Conference Association of Seventh-day Adventists

Upper Columbia Conference and Corporation of Seventh-day Adventists

Washington Conference and Western Washington Corporation of Seventh-day Adventists

Walla Walla University is a separately incorporated organization operated by its own board and formed by the Organizations to provide Seventh-day Adventist higher learning opportunities. The President of each Conference is a member of the University Board of Trustees. The President of the Organizations is Chairman of the University Board. Operating and capital appropriations are made to the university by each Conference through the Organizations.

(I) Fund accounting: To ensure observance of limitations and restrictions on resources available to the Organizations, the accounts are maintained in accordance with the principles of fund accounting. Resources are classified for accounting and reporting purposes into funds established according to their nature and purposes. Separate accounts are maintained for each fund; however, in the accompanying financial statements, funds have been combined into groups, and totals presented for the Organizations as a whole. The funds and fund groups are described in further detail below.

Operating funds: These consist of unrestricted and restricted resources available for current operations. This fund group reflects the combined operating activity of the Conference operating fund and the Association operating fund.

Plant funds: These consist of the unexpended plant and net invested in plant funds. The unexpended plant fund represents resources which were donor restricted or conference committee allocated for plant acquisitions. Since operating funds allocated by the conference committee can be returned to the operating funds by action of the committee, they are included in the unrestricted section of net assets, and appear as associated net assets. This belance includes the unused portion of funded depreciation, additional funds transferred for plant acquisitions, proceeds from sale of plant assets, and unrestricted plant fund investment earnings. The net invested in plant fund represents plant assets acquired, respective accumulated depreciation, and any respective debt.

Annuity fund: This represents funds subject to conditions of charitable gift annuity agreements. Assets are used to produce income to fund the life income payments to the annuitants. If the annuity is funded with real estate, annuity payments required under the agreements are guaranteed by the local institution which will receive the funds upon maturity. Such funds may only be used to meet regular annuity payments.

NORTH PACIFIC UNION CONFERENCE OF SEVENTH-DAY ADVENTISTS NORTH PACIFIC UNION CONFERENCE ASSOCIATION OF SEVENTH-DAY ADVENTISTS Notes to Financial Statements

For the Years Ended December 31, 2019 and 2018

Note 1 - Organizational description and summary of significant accounting policies (continued)

Revolving Fund. The North Pacific Union Conference Association Revolving Fund was established in February 1978. Notes were issued to church members and church entities investing in the fund through December 31, 1988. From January 1, 1989, interest-bearing account certificates were issued to investors. Funds invested in the account certificates can be withdrawn 90 days after demand. The funds are loaned to churches, schools, and conferences in the North Pacific Union Conference (NPUC). The fund is registered in the State of Oregon and is authorized in the states of Alaska, Idaho, Montana, and Washington. A Sinking Fund is provided in accordance with General Conference policy.

Endowment fund: Represent funds that are subject to restrictions of gift instruments requiring that the principal be held in perpetuity, be invested, and only the income from such investments be used. The principal of true endowments is reported as Permanently Restricted Net Assets. Committee-directed quasi-endowments are reported as Allocated Unrestricted Net Assets.

Unconditional trust funds. An accounting entity for irrevocable trusts where assets are held in a trustee capacity.

(j) Changes in presentation: certain amounts in the prior year's financial schedules have been reclassified to conform with the current year's presentation.

The market value of investments changes with economic conditions.

Note 4 - Fair value measurement

The Organizations are subject to accounting provisions that require disclosure about the information used to determine fair values for assets and liabilities that are subject to fair value accounting either on a recurring or non-recurring basis. This information is separated into three "levels" of input as follows:

Level 1: Observable quoted market prices in active markets for identical assets or liabilities.

Level 2: Direct or indirect observable market data, such as quoted prices in inactive markets for identical assets or liabilities, quoted prices in active markets for similar assets or liabilities, and other observable market data correlated to identical of similar assets or liabilities.

Level 3: Unobservable inputs and assumptions based on the best information available to the entity.

Impaired notes:

The Association has purchased seven American Eagle Mortgage, LLC promissory notes, which there was, at acquisition, evidence of deterioration of credit quality since origination and it was probable, at acquisition, that all contractually required payments could not be collected. The carrying amount of those is as follows:

			2019	
		Current	Long-term	Total
American Eagle Mortgage, LLC, in receivership	s [—]	•	718,671	718,671

Net assets without donor restrictions: The Executive Committee of the North Pacific Union Conference of Seventh-day Adventists and the Board of Trustees of the North Pacific Union Conference Association of Seventh-day Adventists have several standing policies that affect the presentation of committee designations on net assets. Donations and bequests, without donor restrictions, are designated for Unrestricted Allocated Funds. Additionally, management maintains an operating reserve for working capital in accordance with guidelines of the North American Division Working Policy.

Note 12 - Endowments

Administration has interpreted the Washington Prudent Management of Institutional Funds Act (WPMIFA) to require the preservation of the fair value of the original gift as of the gift date of donor-restricted endowment funds (absent explicit donor stipulations to the contrary).

As a result of this interpretation, the Organizations classify as permanently restricted net assets:

- (a) The original value of gifts donated as permanent endowments,
- (b) The original value of subsequent gifts to the permanent endowment,
 (c) Accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the endowment.

The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Organizations in a manner consistent with the standard prescribed by WPMIFA.

In accordance with WPMIFA, the Organizations consider the following factors in making a determination to appropriate or accumulate donor-restricted endowments.

- (1) The duration and preservation of the endowment
- (2) The purposes of the Organizations and the donor-restricted endowment fund
- (3) General economic conditions
 (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of the Organizations
- (7) The investment policies of the Organizations

Endowment investment policies - return objectives, risk parameters, and strategies

The Organizations have adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowments while seeking to maintain the fair value of the endowment assets. Endowment assets include those assets of donor-restricted endowments that the Organizations must hold in perpetuity or for a donor-specified period, as well as committee-designated (quasi) endowments.

Under this policy, the endowment assets are invested in a manner that is intended to preserve capital with minimal risk. The Organizations have placed endowment assets in revolving fund deposits with an annual return of 2.25%.

Endowment spending policies and relation to investment objectives

The Organizations have adopted an endowment spending policy that directs them to appropriate for distribution each year all earnings, which equate to 1.75% of the

In establishing this policy, the Organizations considered the long-term expected return on their endowments. Accordingly, over the long term, the Organizations expect the current spending policy to allow their endowments to maintain their balance.

Methods used for allocation of expenses among programs and supporting services

The financial statements report certain categories of expenses that are attributable to one program or supporting services of the Organizations. They are based on the actual functions of program and supporting services. No expenses are attributable to two or more program and supporting services of the Organizations. Health care expenses has its own function within supporting services. Health care expenses are allocated based on the percentage of employees working in each program or supporting service. Depreciation and maintenance are allocated on square footage and departmental use.

Note 18 - State reserve requirements for charitable gift annuities

State of Washington

The State of Washington requires the Association to maintain an reserves which are calculated by an independent actuary as required by RCW 48.38.020 of the Washington Insurance Code. The required reserve for annuities issued to Washington residents at December 31, 2019 and 2018, was \$1,432,098 and \$1,861,286, respectively. The total required reserve for all annuities, as of the same date was \$3,063,327 and \$3,683,990, respectively. The Association held assets for charitable gift annuities of \$5,129,784 and \$4,985,816 as of December 31, 2019, and 2018, respectively, which exceeded the reserves required the State of Washington.

Note 19 - Present value liability, annuity liability

Annuity fund

The annuity liability reflects the present value of the obligation due the annuitants. It is based on an assumed interest rate of 5.25% and the annuitants' life expectancy, which may vary from actual.

Note 23 - Revocable trust agreements

As of December 31, 2019 and 2018, the Organizations served as trustee of 4 revocable trusts. In accordance with accounting principles generally accepted by the Seventh-day Adventist denomination, these revocable trusts are not included in the financial statements. Generally, the Organizations are a remainder beneficiary of a portion of the trust assets.

The Organizations may be a beneficiary of wills or trusts administered by other trustees, of which the Organizations are not aware.

NORTH PACIFIC UNION CONFERENCE OF SEVENTH-DAY ADVENTISTS NORTH PACIFIC UNION CONFERENCE ASSOCIATION OF SEVENTH-DAY ADVENTISTS Notes to Financial Statements

For the Years Ended December 31, 2019 and 2018

Note 26 - Donated services

The NAD subsidizes the cost of auditing services within the NPUC territory. This subsidy was \$621,459 and \$502,076, for the years ended December 31, 2019 and 2018, respectively. The NPUC portion of this subsidy was \$32,378 and \$49,958 for the years ended December 31, 2019 and 2018, respectively. The NPUC pays the remainder of the cost of audits within its territory. This cost was \$244,905 and \$250,491 for the years ended December 31, 2019 and 2018, respectively. The NPUC has voted to bill local conferences for a portion of the audit costs. Local conferences were billed \$244,612 and \$146,337 for the years ended December 31, 2019 and 2018, respectively.

Note 27 - Pension and other post-retirement benefits

Defined benefit plans

The Organizations participate in the following non-contributory, defined benefit plans:

The defined benefit pension plan is known as the Seventh-day Adventist Retirement Plan of the North American Division (NADRP). This plan, which covers substantially all employees of the Organizations, is administered by the NAD, in Columbia, Maryland, and is exempt from the Employee Retirement Income Security Act of 1974 as a "multiple-employer" plan of a church-related agency. This plan provides primarily monthly pension benefits based on years of service and other factors

The NAD Committee voted to freeze accrual of service credit in NADRP effective December 31, 1999, except for employees who chose the career completion option, and to start a new defined contribution plan effective January 1, 2000. Certain employees will continue to be eligible for future benefits under this plan. The Organizations continue to make contributions to this plan, at rates determined annually by the plan.

The defined benefit health care plan is known as the General Conference of Seventh-day Adventist North American Division Retiree Auxiliary Healthcare The defined definit feath (2ab plan is known as the definite and contented of the Congenitations, is administered by NAD in Columbia, Assistance and Death Benefit Plan (RAHAP). This plan, which covers substantially all employees of the Organizations, is administered by NAD in Columbia, Maryland, and is exempt from the Employee Retirement Income Security Act of 1974 as a "multiple-employer" plan of a church-related agency. This plan provides primarily health-care benefits which supplement Medicare benefits. The extent of these benefits is based on years of service and the beneficiary's monthly contribution.

Accounting standards define these plans as "multiemployer" plans. As such, it is not required, nor is it possible, to determine the actuarial value of accumulated benefits or plan net assets for employees of the Organizations apart from other plan participants.

Information about the required contributions to these plans, the actuarial obligation for future benefits, and the funded status of these plans, are presented in the tables below. Because the following information is not publicly available, it is required to be disclosed on the basis of information received from each plan:

Risks and other information

The risks of participating in multiemployer plans are different from single-employer plans, in the following aspects:

- Assets contributed to a multiemployer plan by one employer may be used to provide benefits to employees of other participating employers.
- · If a participating employer stops contributing to a plan, the unfunded obligations of the plan may be borne by the remaining participating employers.
- If the Organizations choose to stop participating in a multiemployer plan, the Organizations may be required to pay the plan an amount based on the underfunded status of the plan, referred to as a withdrawal liability.

Other information about risks and contingencies related to these plans are as follows:

- Information about the plans is not publicly available, so no "certified zone status" has been determined.
 The Organizations' required contributions are not the subject of any collective bargaining agreement.
- . No funding improvement plans or rehabilitation plans had been implemented or were pending.
- The Organizations have not paid any "surcharge" to either of the plans.
 No minimum contribution for future periods has been determined or required of the Organizations.

Note 27 - Pension and other post-retirement benefits (continued)

Defined contribution plan

Effective January 1, 2000, the Organizations participate in a defined contribution retirement plan known as "The Adventist Retirement Plan." This plan, which covers substantially all employees of the Organizations, is administered by NAD in Columbia, Maryland, and is exempt from the Employee Retirement Income Security Act of 1974 as a multiple-employer plan of a church-related agency. The Organizations contributed \$180,562 and \$175,519 to the plan for the years ended December 31, 2019 and 2018, respectively, based on a stated percentage of each employee's earnings and a stated matching percentage of certain employee voluntary contributions. Administration of the accumulated contributions designated for each employee is provided under an agreement between NAD Corporation and Great-West Life & Annuity Insurance Company- Empower Retirement.

Note 28 - Concentration of risk

The Organizations receive most of their revenue in the form of contributions from Seventh-day Adventist members, and contributions from the local constituent conferences. The amount of contributions is subject to changes in economic conditions that could cause loss of income to church members and local constituent conferences. The amount of contributions could also be subject to decrease if any significant number of individuals cease to be active members.

Cash, which exceeded the federally insured limits at certain times during the year and at year end, is deposited with high-credit-quality financial institutions.

As part of the Organizations' liquidity management, it invests cash in excess of daily requirements in short-term investments.

NORTH PACIFIC UNION CONFERENCE OF SEVENTH-DAY ADVENTISTS NORTH PACIFIC UNION CONFERENCE ASSOCIATION OF SEVENTH-DAY ADVENTISTS Notes to Financial Statements

For the Years Ended December 31, 2019 and 2018

Note 30 - Working capital and liquidity

In order that adequate financial resources will be available for the sound and effective operation of all organizations, the Seventh-day Adventist denominational policy recommends organizations maintain specified levels of working capital and liquidity. This footnote summarizes the Organizations' operating fund working capital and liquidity as compared to the policy recommendation stated in the North American Division of the General Conference of Seventh-day Adventists Working Policy and the Seventh-day Adventist Accounting Manual.

^{**} Excluding amounts covered by specific non-current assets, and releases from restrictions.

Note 31 - Subsequent event-COVID-19

The COVID-19 outbreak in the United States has caused disruption of operations through mandated and voluntary closings of many businesses and non-profits, various "stay at home" orders, and significant unemployment. During this time, the Organizations continue operations on a limited, remote basis. COVID-19's impact on operational and financial performance will depend on certain developments, including the duration and spread of the outbreak and its impact on our church members' employment and related giving patterns, employees, vendors, churches, and affiliated entities, all of which are uncertain and cannot be predicted. Therefore, while the Organizations expect this matter to negatively impact its operating results, the related financial impact and duration cannot be reasonably estimated at this time.

Note 32 - Subsequent event- NPUCA Revolving Fund interest rate changes

Effective May 1, 2020, the interest rate for all new and existing NPUCA Revolving Fund loans changed from 5% to 4.5% and the interest rate paid to all depositors of the NPUCA Revolving Fund changed from 2.25% to 1.75%.

^{***} Excluding matured trusts and wills.

SCOPE

- We conducted an audit of the combined financial statements of North Pacific Union Conference of Seventh-day Adventists and North Pacific Union Conference Association of Seventh-day Adventists in order to express an opinion for the year ended December 31, 2019.
- Our audit was conducted in accordance with United States of America auditing standards adopted by the Seventh-day Adventist denomination.
- Those standards require us to plan and perform the audit to obtain reasonable assurance whether the combined financial statements are free from material misstatement.

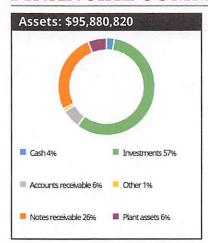

MATERIALITY

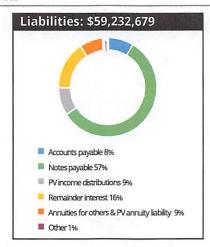

- Materiality is the size of a misstatement or omission that could be expected to influence the decisions of the financial statements' users.
- Our audit was conducted based on a materiality which was calculated using the benchmark of a combination of total assets and total revenue after considering qualitative and quantitative factors. Materiality benchmarks were selected to represent the measure most relevant to users of the financial statements.

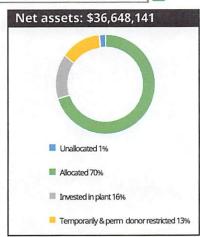

RESULTS

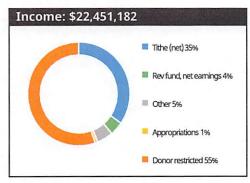

Opinion	Unmodified
Policy Compliance Report	Standard

DEFINITION

The auditor concludes that the overall financial statements are fairly presented.

Please refer to the auditor's opinion attached to the audited financial statements for more detail.

POLICY COMPLIANCE

June 17, 2020

To the Executive Committee

North Pacific Union Conference of Seventh-day Adventists

To the Board of Trustees

North Pacific Union Conference Association of Seventh-day Adventists

We have audited, in accordance with United States of America auditing standards adopted by the Seventh-day Adventist denomination, the combined financial statements of North Pacific Union Conference of Seventh-day Adventists and North Pacific Union Conference Association of Seventh-day Adventists (Association) (collectively, Organizations), which comprise the combined statement of financial position as of December 31, 2019, and the combined statement of changes in net assets and statement of cash flows for the year then ended, and the related notes to the financial statements. We have issued our report thereon dated June 17, 2020.

In connection with our audit, as internal auditors of the General Conference of Seventh-day Adventists, nothing came to our attention that caused us to believe that the Organizations failed to comply with the Working Policy of the General Conference of Seventh-day Adventists, North American Division insofar as it relates to those policies designated as "core" policies. However, our audit was not directed primarily toward obtaining knowledge of such noncompliance.

Inneral Conference Quditing Service

The following item is either immaterial noncompliance or noncompliance with recommendations.

OTHER CORE POLICY MATTERS	IMMATERIAL	RECOMMENDATION	FINDINGS
NADWP S 24 10 – Recommends minimum amount of working capital	<u>-</u>	✓	At December 31, 2019, working capital was \$396,854 less than recommended

NADWP S 60 05 (4) requires auditors to inform the governing committee whether the provisions of insurance coverage are in harmony with working policy.

INSURANCE COVERAGE	FINDINGS
NADWP S 60 05 (4) – Applicable insurance coverage meets established minimums	No noted noncompliance with insurance
	coverage

MATERIAL WEAKNESSES IN INTERNAL CONTROLS

effectiveness of internal control, therefore we do not express an opinion on the effectiveness of internal control.

The purpose of the audit was to express an opinion on the financial statements and included consideration of internal control over financial reporting to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the

Our consideration of internal control was for the limited purpose described above and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses.

A material weakness is a deficiency, or combination of deficiencies, in internal control over financial reporting, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis.

No material weaknesses were noted

PREVIOUSLY REPORTED DEFICIENCIES RESOLVED	TYPE	RESOLUTION
Physical inventory of plant assets not performed as required	Material weakness	Strengthened controls to ensure a plant assets inventory was performed
Sale of trust property not voted as required	Material weakness	Strengthened controls to ensure committee authorization is obtained prior to a sale

Revenue recognition

■ In May 2014, the FASB established a single, comprehensive framework for revenue recognition to be applied consistently across all types of transactions, and industries. This framework will improve comparability of financial statements. The core principle of the framework is that an entity should recognize revenue when the transfer of goods or services to the customer occurs, in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The original effective date was deferred for most not-for-profit organizations to fiscal years beginning on or after December 15, 2018, so that additional clarification could be provided and organizations will have time to implement this standard.

Accounting for leases

■ The FASB issued ASU 2016-02, Leases, in February 2016. This new accounting standard sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to the lease, the lessee and the lessor. This new standard was to be effective for most not-for-profit organizations for fiscal years beginning on or after December 15, 2019, but has now been deferred for that group of organizations for one year, until December 15, 2020. Under the pre-existing standard, a majority of leases have not been reported on a lessee's balance sheet. This new standard requires a lessee to recognize assets and liabilities for the rights and obligations created by leases, thereby causing most leases to be reported on a lessee's balance sheet in the future.

THE AUDIT PROCESS

Agree

Develop and agree on written terms of engagement with the client

-Obtain

Obtain information about client's accounting and financial reporting system

-Assess

Assess the risk of material misstatement, whether due to error or fraud

-Perform

Design and perform audit procedures based on assessed risk of material misstatement

-Conclude

Analyze results, draw conclusions, and form an opinion about the financial statement

Report

Prepare and issue audit opinion and other communications to prescribed recipients

GCAS provides assurance and related services to organizations of the Seventh-day Adventist church. With approximately 275 professionals, operating from 45 regional offices, we make delivering excellence our signature every day.

We serve God by delivering excellent audit services to the Seventh-day Adventist Church!

The auditor responsible for the 2019 audit is:

Melissa Reynolds Regional Manager ReynoldsM@gcasconnect.org Melissa Reynolds, MSA, CPA, CGMA serves GCAS as the Regional Manager for the North Pacific Office. Melissa joined GCAS in 2010. She is a Certified Public Accountant licensed in the State of California, and is a Chartered Global Management Accountant. She is a member in good standing of the California Society of Certified Public Accountants and the American Institute of Certified Public Accountants.

REQUIRED COMMUNICATIONS WITH GOVERNANCE 1

Significant accounting policies

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Organizations are described in Note 1 to the financial statements.

No new accounting policies were adopted and the application of existing policies was not changed during 2019. We did not note any transactions the Organizations entered into during the year that were both significant and unusual, about which professional standards require us to inform you.

Restriction on distribution and use of report

This report is intended solely for the information and use of the officers of the Organizations, their audit committee, their governing committee, and the officers and their designees of higher denominational organizations, and is not intended to be, and should not be, used by anyone other than these specified parties.

REQUIRED COMMUNICATIONS WITH GOVERNANCE 12-2

MATTERS TO BE COMMUNICATED	AUDITOR'S RESPONSE
Management judgment and accounting estimates Collectability of accounts receivable - It is management's responsibility to make estimates about the collectability of accounts receivable, based on past collection experience and current expectations according to the nature of the accounts.	We evaluated the factors used by management to develop the allowance for uncollectable accounts to determine whether it is reasonable in relation to the financial statements taken as a whole.
Fair value of investments - It is management's responsibility to make estimates about the fair value of investments, based on observable and unobservable market indicators, including quoted market prices and other information provided by investment managers and other market participants.	We evaluated the factors used by management to develop these estimates to determine whether they are reasonable in relation to the financial statements taken as a whole.
Depreciation expense - It is management's responsibility to make estimates about depreciation expense, based on the estimated useful lives of property, plant, and equipment assets.	We evaluated the factors used by management to develop useful lives and depreciation expense to determine whether they are reasonable in relation to the financial statements taken as a whole.
Net realizable value of loans receivable - It is management's responsibility to make estimates of the net realizable value of loans receivable, based on terms of the loans, collection history, and knowledge of the financial condition of the debtors, especially debtors that are affiliated denominational entities.	We evaluated the factors used by management to develop these estimates to determine whether they are reasonable in relation to the financial statements taken as a whole.

REQUIRED COMMUNICATIONS WITH GOVERNANCE

12-3

MATTERS TO BE COMMUNICATED

AUDITOR'S RESPONSE

Management judgment and accounting estimates

Fair value of assets held in trust - It is management's responsibility to make estimates about the value of assets held in trust, based on the fair value of the underlying assets. For cash and investments, fair value is determined in consultation with financial institutions and investment brokers and managers. For loans receivable, management estimates the net realizable value based on terms and collection history.

We evaluated the factors used by management to develop these estimates to determine whether they are reasonable in relation to the financial statements taken as a whole.

Present value of liabilities for split-interest agreements, including annuity agreements - It is management's responsibility to make estimates about the net present value of the liabilities to beneficiaries of split-interest agreements the Association administers, such as charitable gift annuities, irrevocable charitable remainder trust agreements, etc. Management estimates those liabilities based on life expectancy tables obtained from the Internal Revenue Service, applied to the age or ages of donor(s).

We evaluated the factors used by management to develop these estimates to determine whether they are reasonable in relation to the financial statements taken as a whole.

SIGNED REPRESENTATION AND RELEASE LETTER

Seventh-day Adventist Church

NORTH PACIFIC UNION CONFERENCE 5709 N 20TH ST • RIDGEFIELD WA 98642 PHONE: 360.857.7000 NPUC.ORG

June 17, 2020

General Conference Auditing Service 201 NE Park Plaza Dr., STE 248 Vancouver, WA 98684

We are providing this letter in connection with your audits of the statements of financial position of North Pacific Union Conference of Seventh-day Adventists and North Pacific Union Conference Association of Seventh-day Adventists (Revolving Fund) as of December 31, 2019 and 2018, and the related statements of changes in net assets and cash flows for the years then ended. Your audits were for the purpose of expressing an opinion as to whether the financial statements present fairly, in all material respects, the financial position, changes in net assets, and cash flows of North Pacific Union Conference of Seventh-day Adventists and North Pacific Union Conference Association of Seventh-day Adventists (Revolving Fund) in conformity with United States of America accounting principles generally accepted by the Seventh-day Adventist denomination. We confirm that we are responsible for fair presentation in the financial statements of the financial position, changes in net assets, and cash flows in conformity with United States of America accounting principles generally accepted by the Seventh-day Adventist denomination. We are also responsible for adopting sound accounting policies, establishing and maintaining internal control, and preventing and detecting fraud.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

We confirm, to the best of our knowledge and belief, as of June 17, 2020 the following representations made to you during your audits.

- 1. The financial statements referred to above are fairly presented in conformity with United States of America accounting principles generally accepted by the Seventh-day Adventist denomination, and include all assets and liabilities under the organization's control.
- 2. We have made available to you, allC
 - a. Financial records and related data.

- b. Minutes of the meetings of the North Pacific Union Conference Executive Committee or summaries of actions of recent meetings for which minutes have not yet been prepared.
- 3. There have been no communications from regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices.
- 4. There are no material transactions that have not been properly recorded in the accounting records underlying the financial statements.
- 5. We believe the effects of the uncorrected financial statement misstatements summarized in the attached schedule are immaterial, both individually and in the aggregate, to the financial statement taken as a whole.
- 6. We acknowledge our responsibility for the design and implementation of programs and controls to prevent and detect fraud. We understand that fraud can take either of two forms; the misrepresentation of data in financial reports or the misappropriation of assets.
- 7. We have no knowledge of any fraud or suspected fraud (either misrepresentation of data or misappropriation of assets) affecting the Organization involving:
 - a. Management,
 - b. Employees who have significant roles in internal control, or
 - c. Others where the fraud could have a material effect on the financial statements.
- 8. We have no knowledge of any allegations of fraud or suspected fraud (either misrepresentation of data or misappropriation of assets) affecting the Organization received in communications from employees, former employees, grantors, regulators, or others.
- 9. Receivables recorded in the financial statements represent valid claims against debtors for charges and transactions arising on or before the financial statement date and have been reduced to their estimated net realizable value.
- 10. The Organization has no plans or intentions that may materially affect the carrying value or classification of assets, liabilities, or net asset balances.

- 11. The following, if any, have been properly recorded or disclosed in the financial statements:
 - a. Related party transactions, including revenues, expenses, loans, transfers, leasing arrangements, guarantees, and amounts receivable from or payable to related parties.
 - b. Guarantees, whether written or oral, under which the Organization is contingently liable.
- 12. There are no estimates that may be subject to a material change in the near term that have not been properly disclosed in the financial statements. We understand that *near term* means the period within one year of the date of the financial statements. In addition, we have no knowledge of concentrations existing at the date of the financial statements that make the organization vulnerable to the risk of severe impact that have not been properly disclosed in the financial statements.
- 13. We are responsible for compliance with the laws, regulations, and provisions of contracts and grant agreements applicable to us; and we have identified and disclosed to you all laws, regulations and provisions of contracts and grant agreements that we believe have a direct and material effect on the determination of financial statement amounts.
- 14. North Pacific Union Conference Association Revolving Fund is an exempt organization under IRS section 501(c)(3). Any activities of which we are aware that would jeopardize the Organization's tax-exempt status have been disclosed to you. All required filings with tax authorities are up-to-date.

15. There are no:

- a. Violations or possible violations of laws and regulations and provisions of contracts and grant agreements whose effects should be considered for disclosure in the financial statements or as a basis for recording a loss contingency.
- b. Unasserted claims or assessments that our lawyer has advised us are probable of assertion and must be disclosed in accordance with accounting principles generally accepted by the Seventh-day Adventist denomination.

- c. Other liabilities or gain or loss contingencies that are required to be accrued or disclosed by accounting principles generally accepted by the Seventh-day Adventist denomination.
- d. Designations of net assets disclosed to you that were not properly authorized and approved, or reclassifications of net assets that have not been properly reflected in the financial statements.
- e. Instances in which the Organization or its subsidiaries have been named as a potential responsible party by any government environmental regulatory agency.
- 16. The Organization has satisfactory title to all owned assets, and there are no liens or encumbrances on such assets nor has any asset been pledged.
- 17. We have complied with all restrictions on resources (including donor restrictions) and all aspects of contractual and grant agreements that would have a material effect on the financial statements in the event of noncompliance. This includes complying with donor requirements to maintain a specific asset composition necessary to satisfy their restrictions.
- 18. Except as outlined below, the financial operations of the Organization were in conformity, in all material respects, with applicable core policies of the Seventh-day Adventist denomination.
- 19. To the best of our knowledge and belief, no events have occurred subsequent to the date of the financial statements and through the date of this letter that would require adjustment to, or disclosure in, the financial statements, that is not already reflected therein.

We have examined the audited financial statements and make the following representation by checking *one* of the boxes below.

[] We have examined the audited financial statements for North Pacific Union Conference of Seventh-day Adventists and North Pacific Union Conference Association of Seventh-day Adventists (Revolving Fund) for the years ended December 31, 2019 and 2018. They are materially correct. Please provide final copies (in the format noted below) to our administrative officers, the chair of our Audit Committee, and other individuals as required by policy.

- [x] We have examined the audited financial statements for North Pacific Union Conference of Seventh-day Adventists and North Pacific Union Conference Association of Seventh-day Adventists (Revolving Fund) for the years ended December 31, 2019 and 2018. Please make the corrections or adjustments to the financial statements described below. Please consider the suggested changes to the audit communication letter described below. Then please provide final copies (in the format noted below) to our administrative officers, the chair of our Audit Committee, and other individuals as required by policy.
- NR/NP Interest Rates: Show rate as it was at December 31, 2019 (5% and 2.25%), then with an asterisk I would reference the subsequent rate change (4.5% and 1.75%.)
- 2. Balance Sheet Due to and from other funds: Balances should be within the Combined Total column, for both Due to and Due from other funds. Better clarity
- 3. Balance Sheet Unrestricted allocated: I would add the reference of "Note10" for clarity and reference.
- **4.** Page 27 Note 27: change of wording, Great West Life & Annuity Insurance Company Empower Retirement.

Final report release process: Electronic copies of the audit reports will be provided in two PDF portfolios.

- The *management portfolio* includes all reports and letters resulting from the audit.
- The North Pacific Union Conference Executive Committee *portfolio* includes the financial statement and opinion, policy compliance report, audit communication letter, and F-49. Denominational policy requires our CFO to distribute this portfolio to our audit committee and your governing committee.

The next meeting of our Audit Review Committee is scheduled for August 19, 2020 or earlier.

The next meeting of our North Pacific Union Conference Executive Committee is scheduled for August 19, 2020.

We plan to respond to the Audit Communication Letter: Yes X No
