## Changing of the Guard

Retirement—withdrawal from one's position or occupation or from active working life. After almost nine years working at the NPUC, Jay Graham, Association Treasurer, is planning on retiring at the end of September. We wish him well as he lays down his pen and pencil, turns off his computer and 'relaxes'. So starting on October 1, all his duties will be taken over by the NPUC Undertreasurer, Kody Hendrickson. His contact information is 360-857-7014 or [kody.hendrickson@nw.npuc.org](mailto:kody.hendrickson@nw.npuc.org). Debbie Morauske will still be working with the Revolving Fund so you can contact her as well. Her contact information hasn't changed and is listed below.

## The Revolving Fund is Still OPEN!

We are only about 37% of the way towards our amount of funds that we can take in this year. So if you are wanting to add to your account balance, now is your chance. The current rate is 2.25%. We ask that if you do that the amount would be in even 100 dollars. Thank you for your continued support of the mission of the Revolving Fund. Currently we have 83 loans outstanding worth almost \$22M!
