Proposed Bylaw Change

The University is ~~an institution which is wholly operated by the North Pacific Union Conference of Seventh-day Adventists~~ as a religious educational institution of the Seventh-day Adventist Church. The particular objectives for which the University is formed are set forth in the Articles of Incorporation and include the establishment, maintenance, and conduct of a Seventh-day Adventist institution of higher learning within the State of Washington as part of the system of educational institutions established and operated throughout the world by the Seventh-day Adventist Church.
